## PHILOSOPHICAL ASSOCIATION 2022-23

To start afresh with moments of fun and zeal after the covid-19 pandemic that forced us to stop our routine activities and stay at home, the Philosophical Association of the Institute of Science, Mumbai organised various events and days to infuse a sense of togetherness and showcase talents across the various departments that prove to be the pillars of this institution.

After numerous meetings and discussions amongst the student council members and the philosophical association committee the theme “CIENCIA 2023” was found to be apt, describing the aura and the vibe this institute beholds. This event was eagerly awaited by each and every student of the institution as well as teachers to witness these days that were duly missed due to the pandemic. Ciencia 2023 witnessed a big crowd turning up for various ‘day’ and competitions that were responsibly organised and held.

“CIENCIA 2023” was held between 27 January, 2023 to 31 January, 2023 that included an array of exciting events that included competitions such as Photography, Painting, Poster, Mehendi, Rangoli and Mr. Institute and Ms. Institute. Simultaneously these days included dance and singing auditions that were scheduled to be held on the annual day. Normal weekdays were celebrated as Traditional Day, Saree Day, Bollywood Day and Meme Day. This was the period of fun, joy, enthusiasm and togetherness for the students. The schedule was finalised keeping in mind the succeeding Sports event organization so as to carry out the activities without hindering the academic functioning.
